

Beginning Art Supply List

Welcome to Beginning Art Class! Here is what you will need to work in your sketchbooks and homework assignments.

Due to the nature of the art curriculum, it is vital that all students have these specific supplies in order to succeed:

1. One 8" X 11" (or larger) Spiral Bound Sketch Book.
2. Set of Drawing Pencils: 8B, 6B, 4B, 2B, HB, and 2H.
(an 8B or 6B Graphite Stick would also be helpful but is not required)
3. 2 Art Erasers: Kneaded Eraser and Art Gum/ White Rubber Eraser
4. 12" Ruler (metal is best)
5. Black Fine Point Sharpie Markers (pkg. of 2)
6. Compressed Charcoal sticks, Vine (willow) Charcoal and White Chalk

NOTE: Please plan to have supplies by the second week of classes!

All these art "tools" listed are important for accomplishing criteria in each assignment, thus helpful for students in making well-constructed, beautiful works of art.

You will find varying brands and price points on some of these supplies, depending whether they are student or professional grade. Student grade is fine and generally less expensive.
