**NOTE: Please plan to have supplies by the second week of classes!**

**NOTE: If budgeting, you may choose to purchase supplies #1-5 on this list first and have them by the second week of class. Then you may purchase additional items # 6-8 by October 1st.**

**NOTE: Second Semester is when students will need supply items #9-11. This will be after the winter break when we begin painting in Acrylics. Up until then it will be watercolor, and pen & ink, etc. Please remember that the small plastic lidded**

**containers (# 11) are important for keeping your mixed acrylic paints from drying out once we begin to work in that medium.**

These types of art “tools” are important for accomplishing criteria in each assignment, thus helping students to make well-constructed, beautiful works of art!

You will find varying brands and price points on some of the supplies listed, depending on whether they are student or professional grade. Student grade is fine and generally less expensive. Some supplies are available in the MUHS Bookstore for easy replacement.
